Subject: Funding update _ CR allocation thru Dec 22

All,

The President signed a funding bill through December 22, 2017. Since Congress is still deliberating on the FY 2018 funding levels and the final budget amounts for the agency may be significantly different from the CR levels, all offices should operate in a conservative manner.

In August you submitted your FY2018 requirements, RMO will continue to focus on funding transactions for all mission critical "P1" travel, training and supply requests until a final budget bill is passed.

If you have any questions please feel free to contact me @ 202-564-0227

Thanks
